RE: Himco Landfill
Elkhart, Indiana
County Road 10

Dear Ms. Swales:

This refers to the U. S. Environmental Protection Agency's request of March 8, 1989 for information regarding the above referenced site.

Consolidated Rail Corporation's (Conrail) search of its documents is continuing. Our search, to date, has not discovered any information indicating that Conrail sent any hazardous waste to the Himco Landfill. However, I have been advised that some documents relating to Himco Inc. may be in storage. Arrangements to locate and retrieve those documents have been initiated. Once the documents have been retrieved, we will be in a position to respond as necessary.

If you have any questions, please contact me at (215) 977-1685 or K. S. Seman at (215) 977-1425.

Sincerely,
